2.4 Application Support

All queries related to application process may be mailed to incubation.manager@mguif.com with the subject Idea Day Queries: *Application- Startup Name/Product name*

Section 3: Shortlisting

3.1 Shortlisting Process

The applications received by MGUIF will first be scrutinized by MGUIF officials. The shortlisting is based on the information provided in the application form. If the number of applications is very high, then a pre-evaluation will be conducted by MGUIF with a panel of experts and the eligible startups will be shortlisted for final evaluation.

3.2 Shortlist Announcement

Innovators selected for idea presentations will be notified through email and published on the website at least one week before the Idea Day is scheduled. Applicants who were rejected will also be notified through email. They may re-apply with an improved application for the subsequent Idea Days.

3.3 Queries Regarding Shortlisting

Innovators who would like to know their shortlisting scores may request the same by mailing to incubation.manager@mguif.com with the subject Big Idea Queries: Shortlisting -*Startup Name/Product name*. The Big Idea coordinator will respond to the email within 7 working days with details.

Section 4: Selection - The Big Idea

4.1 Big Idea

The startups or applicants will make their final pitch on 'Big Idea', before an Expert Committee Panel, who will evaluate the proposals for their merit. MGUIF conducts Big Idea as per the demand.

4.2 Selection Criteria

The pitch deck presentations/Applications submitted by the innovators will be shared with the expert committee members one week in advance. During the Idea Day Event, the innovators will pitch their idea and the execution plan to the expert committee.

4.3 Screening Process

The panel will listen to all ideas shortlisted for that Idea Day event. The innovator must present their product and fund utilization plan to the panel. For the idea's worth pursuing, the Screening Panel may recommend the type of support and the purpose of utilization of the grant. If the committee recommends an idea grant the innovator is eligible for a maximum amount of 2 lakhs. The exact amount will be finalized based on the fund utilization plan submitted by the innovator. The Screening Panel may also recommend interim and final milestones to be achieved by the startup.

For the evaluation, rubrics for the idea grant are as follows:

- Team
- Product Innovation
- Marketing
- Financials
- Idea grant utilization plan

Wherever necessary, the expert committee may also recommend a technical review of the idea to be done before the award of the grant. All such recommendations (including the amount of grants that may be awarded for the idea) are to be marked in the assessment sheet and signed by the panel members at the end of all the presentations.

4.4 Sanction of Grants

The recommendations of the expert committee will be submitted to Chairman, MGUIF for approval. Innovators whose ideas are thus sanctioned will be notified through email. The list of Idea Grant recipients will be updated on the MGUIF website not later than 2 weeks after the Idea Day event. Innovators are eligible to apply only one idea at a time and no two grants will be sanctioned at a time.

Section 5: Idea grant Disbursal

5.1 Disbursal Process

Idea grants will be disbursed in milestone-based tranches. Generally, half the granted amount is disbursed in the first tranche after collecting necessary documentation, and the remaining amount is disbursed after the innovator submits an interim report and utilization certificate. If the Idea grant sanctioned is less than 50,000 INR, it will be disbursed as a single tranche.

The funds for ideas selected at the idea day event will be released on a tranche basis. Mode of payment will be through account payee cheque or/and having account transfer to treasury (whenever possible). For student innovators the fund will be transferred to the IEDC bank accounts of their respective colleges. Startups registered as legal entities with MGUIF unique ID certification will receive the funds to their company bank accounts. Individual innovators will need to register with an IEDC or incubator operating in Kerala. The grant will be disbursed to the IEDC's or incubator's bank account. The IEDC or incubator will subsequently transfer the grant to the individual innovators.

5.2 Documents for All Tranches

The innovators to whom the idea grant has been sanctioned are expected to submit a detailed fund utilization plan along with project milestones. The fund utilization plan for the first tranche should be clearly stated along with the interim outcomes expected to be achieved. If the startup has availed of any other funding from MGUIF, an audited utilization certificate and report needs to be submitted before the release of Idea Grant.

The list of documents to be submitted is as follows:

I. Idea Grant (Faculty)

1. Company Incorporation details (COI, MoA/Deed)
2. Company Pan card
3. MGUIF unique ID certificate
4. ID proof of the founders
5. Company Bank Account details
6. Rs.200 worth Stamp paper in the name of the company/Letter from principal/Institution.

II. Idea Grant Student Innovators

1. Rs.200 worth of Stamp paper in the name of the Team Lead/Proposed Startup Name
2. Scanned copy of passbook front page of IEDC account/ Open A new Bank Account from a Nationalized Bank (for Idea Grand Utilization).
3. College ID card copy of Nodal officer
4. Address proof of Students.
5. Bonafide certificate from your corresponding Department.

The agreement needs to be signed by both the Nodal Officer and Student. The utilization certificates and progress reports are to be authorized by the IEDC Nodal Officer/ED Club Coordinator. If the startup is selected for Idea Grant, it is expected to sign a commitment to contribute to a Goodwill Fund once the startup becomes reasonably sustainable in their operations. This contribution may be at least equal to the grant amount awarded to the startup. The goodwill fund MGUIF collects from the startups will be reploughed back to an idea grant which could be provided to startups. After verifying the documents, MGUIF will execute an agreement with the innovator. The innovator can visit any of the MGUIF, Kottayam to furnish the documents and execute the agreement. The grant will be released only after agreement execution.

5.3 Margin Money

The success of entrepreneurs also largely depends on his/her ability to raise funds in addition to their ability to build innovative and distinguished products. The fundraising cycles also act as a validation of the ideas. To ensure that the recipients of the idea grant also can raise funds to take the idea forward, MGUIF would be asking the startups to bring Margin Money to the project. Margin Money is the own contribution by the startup via revenues or directors or investments.

<i>Tranche</i>	<i>Margin Money</i>
First Tranche	30 % of Approved Grant (In second Tranche)
Second Tranche	50 % of Approved Grant <i>(as per 5.2)</i>
Final Tranche	20% of Approved Grant <i>(as per 5.2)</i>

5.4 Progress Assessment

MGUIF will assess progress before the disbursement of the second tranche of the grant and after the end of the project. The innovators are expected to submit the interim progress update and utilization certificate to initiate the release of the second tranche of funds. Progress will be reviewed by a committee of experts set up by MGUIF before the balance amount is released. Where necessary, the innovator will be asked to present a demo.

5.5 Documents for the All Tranches

Apart from the interim progress report and the utilization certificate, the Startup/innovator is also expected to detail out the plan for utilizing the balance amount and the expected outcome of the project. Release of the second tranche will be subject to verification of these documents and expert committee evaluation. If the startup raised 2 crores cumulatively (VC/angel funding) after the first tranche, MGUIF has sole discretion in considering further releases. Field visits will be conducted, if necessary,

Students/Innovators

- Utilization Certificate signed by the student and approved by the IEDC Nodal officer.
- The idea grants so released should be reflected in the audited BS/I&E accounts of the IEDC & shall be forwarded to MGUIF yearly.
- Progress report of the project.

5.6 Application Support

All queries related to application process may be mailed to incubation.manager@mguif.com with the subject Idea Day Queries: Funding- *Startup Name/Product Name*. The Idea Day Coordinator will respond to the query in 7 working days.

Section 6: Funding Guidelines

6.1 Utilization Purpose and Outcome

The idea grant cannot be used for the following purposes:

1. Salaries for the founding team
2. Purchase of assets
3. Payment of rent and other utility charges
4. Purchase of costly equipment and devices

(Fixed Assets like land, building, furnishing, setting up of lab space, high-end computers, software of high cost (above 2 Lakhs), etc. not allowed. However essential software/ tools/ licenses etc. are allowed)

5. Patenting expenses (innovator may claim reimbursement through the MGUIF Patent Scheme)

The detailed fund utilization plan is given in Annexure

6.2 Project Completion Report

Innovators are expected to submit the final report and audit utilization certificate at the end of the project duration. The completed projects will be called for quarterly demo days. These demo days will be attended by representatives from the MGUIF and investors. The subsequent support for the innovator will be subject to the submission and utilization certificate.

6.3 Failed Projects

Not all ideas are expected to get market validation and take off. Projects might fail due to technical reasons or because the customer failed to adopt the idea or product. As a policy MGUIF believes that ventures might fail, but entrepreneurs never fail. For failed

ventures, the entrepreneur is expected to share his learnings and the reasons for failure in the report and submit this along with the utilization certificate for the grant amount.

6.4 Applying Again

Yes, subject to approval from the Chairman of the Executive Committee, MGUIF, an innovator with a previously failed venture could get an idea grant for a new idea or project. The project report submitted by the innovator, which details the efforts taken and the reasons for failure, will be thoroughly reviewed along with the audited utilization certificate, and if these are found satisfactory, the innovator may be considered again for the idea grant. The Innovator will be eligible for the remaining grant amount.
